## Mudd Nick Foundation Stages Successful Annual Event

**On September 18, 2016, the Mudd Nick Foundation held its annual Golf Tournament and Charity Auction and Dinner at North County Recreation District (NCRD) for 172 attendees, celebrating 23 years of giving back to the children in Neah-Kah-Nie School District 56. During that time frame, the Foundation has raised in excess of \$1,250,000 to fund Learning Experiences for every school-aged child in the District.**

The weekend kicked off with a casual dinner Friday at which Doug Nicholson, Board member and organizer of the golf tournament, announced golf teams. Attendees also had the opportunity to peruse the silent auction tables. For the 27th year, early Saturday morning under rainy skies, 66 golfers assembled at the Manzanita Golf Course to compete for prizes and have fun.

Board members, Brad Mudd and Tim McCarty, were responsible for overall planning and successful execution of the event. They did an exemplary job from start to finish. Jennifer Holm, one of our Program Coordinators, recruited and

John Isbell spent countless hours updating the database; creating auction bid sheets; developing the PowerPoint slides, bid packets, and event programs; and handling registration with Ms. Holm's help. Larry Schaeffer set up and expertly managed his audio-visual equipment during the event.

Doors opened Saturday evening at 5:30. After having time to mingle with old friends and meet new ones, Board President Monica Isbell welcomed attendees, invited them to have a great evening, and thanked them for their ongoing support of

organized the more than 60 volunteers - students, teachers, school administrators, and other adults - who set up tables and decorated the NCRD gymnasium beautifully on Friday and Saturday, and handled clean-up. Chefs Kim Miller and Michael Hithe planned the menu with Brad and Tim and directed activities in the kitchen and the volunteers who prepared a delicious array of menu items. Lynn Villemyer, Jason Barker, and Troy Gleeson grilled tri-tip and salmon.

Lynn Mudd's team of auction item solicitors included Sheri Atteridge, Jim Mudd, Bonnie Speer, Joan Henderson, Anna Wilkes, Nikki Schaeffer, Cindy Kenne, and Monica Isbell. This team spent hundreds of hours collecting and creating 94 silent and live auction items and packages with a total value of \$35,000. Jack Kenne entered auction information into the Greater Giving database and got the computers working that facilitated a smooth registration and check out process. Board Treasurer

the Foundation. She introduced four students from the Neah-Kah-Nie High School Choir - Emalea Armitage, Haley Blaser, Haylee Barbour and Kandle Werner - directed by Michael Simpson, who sang "America the Beautiful."

Ms. Isbell then introduced the Foundation Board and Advisory Council members and expressed gratitude for their service and guidance. She went on to explain that, thanks to the Nicholson family who asked people to remember Ann Nicholson through contributions to the Mudd Nick Foundation, \$9,300 was raised in Ann's memory. Ms. Isbell also paid tribute to supporter, Kathleen Ryan, who lost her life in 2016.

Next up on the podium were Jim and Lynn Mudd, who presented the 2016 *Jim and Lynn Mudd Service to Children Award* to Kelly and Janice Laviolette, recognized for making sizable donations in recent years of the proceeds from their annual Kelly's Brighton Marina Crab Derby. Pastor John Olson gave the invocation and then volunteers served a delectable dinner.

At 8:00, Doug Nicholson presented awards to the golf tournament winners. While a video of the 2106 GBAM (great big art mash) camp for children with special needs played on the screen, Katie Budeckie sang a moving rendition of "Somewhere over the Rainbow," accompanied by her father on the guitar.

## Annual Event *continued from p. 2*

Rob Herder, the Neah-Kah-Nie High School baseball coach, spoke about the impact Neah-Kah-Nie Youth Athletics (NKN) has on the high school sports programs. The Mudd Nick Foundation has been a major financial supporter of NKN since its inception several years ago. In 2016, the Foundation was co-sponsor of a trip to Arizona so the boys baseball team could attend Major League Baseball Spring Training and play in a highly competitive tournament.

A poised and articulate, Alaina Holm, graduating senior and valedictorian, gave a heart-felt and inspiring speech about how the Mudd Nick Foundation has impacted her life since she began elementary school.

Paul Erlebach, District 56 Superintendent and keynote speaker, provided his perspective on how well the close partnership between the Mudd Nick Foundation and the District has worked over the years to broaden the experiences of students and enhance their lives. Superintendent Erlebach expressed

his gratitude to the Foundation for funding countless Learning Experiences for the students that augment the District's curriculum. "As Superintendent, I observe the positive impact the Mudd Nick Foundation has on children's lives every day. Every year, school district staff apply to the Foundation to fund exciting and original programs and activities. It is a competitive application process."

Then it was time for Jim and Brad Mudd and Doug Nicholson to moderate a rousing live auction. Nyssa Caldwell and Patty Schlip from Columbia Bank assisted at check out. The evening ended with attendees departing NCRD satisfied and uplifted, knowing their contributions will enable the Foundation's important work to continue. During the Saturday event, over \$85,000 was raised, setting a record. The Board couldn't have been more thrilled and grateful for the generosity of its many supporters.

We invite you to put the date of the Foundation's next event – September 16, 2017 – on your calendars.

## The *Jim and Lynn Mudd Service to Children Award* for 2016

The Board of the Mudd Nick Foundation voted to recognize Kelly and Janice Laviolette as the 2016 recipients of the *Jim and Lynn Mudd Service to Children Award*. Gregarious Kelly and beautiful, competent Janice own Kelly's Brighton Marina, the absolute best spot on the North Coast to enjoy crabbing, fishing, and a meal of ocean-fresh fish and shellfish.

*Kelly Laviolette, Janice Laviolette & Jim Mudd*

Kelly and Janice stage an annual crab derby each summer that is loads of fun for participants. In the past two years, the Laviolettes donated over \$23,000 to the Mudd Nick Foundation from the proceeds of the derby. This amazing contribution has enabled the Foundation to make grants to District 56 schools that provide students with life-enhancing, out-of-classroom experiences. To partner with Kelly and Janice is a privilege for the Foundation.

### What Guides the Mudd Nick Foundation

**PURPOSE:** The purpose of the Mudd Nick Foundation is to provide learning experiences that stimulate children to aspire to their greatest potential and to pursue their dreams.

**MISSION:** Our mission is to broaden the horizons of all children in North Tillamook County through programs in collaboration with our community partners.

**EXTERNAL VISION:** Our vision is that the children in our community become life-long stellar citizens who expand their life experiences, minds and curiosities; accept responsibility for their actions; treat themselves and others with respect; maintain high personal integrity; exhibit socially-accepted behavior; and have fun.

## First Lego League Qualifying Tournament

Neah-Kah-Nie Middle School sent a rookie team to the First Lego League Qualifying Tournament in Hillsboro on December 3, 2016. They joined teams from around the Portland area, Jewell, and Seaside to compete in three areas of competition: three trials on a performance field, a project presentation of original research with a solution, and exhibiting the CORE values of First Lego League. Ten 7th and 8th grade students formed a team called I4IGM (The Institute for Idea Generation & Manufacturing).

*7th & 8th Graders from Neah-Kah-Nie Middle School at the First Lego League in Hillsboro, Oregon*

Their project presentation entitled "Re-MOOving Methane" on how to reduce methane pollution in the dairy industry received a score of exemplary for the solution and sharing of their project. This team did not qualify for the state competition in January, but members are pleased with their performance for their rookie year, and are excited to participate again next year. The team would like to thank their sponsors that provided funding for this opportunity, the Mudd Nick Foundation and the Oregon Department of Education. The team would also like to thank coaches Kathryn Harmon and Nan Ryder as well as their high school mentor Wade Becker for their time and assistance.

## 2016 - Record Revenue Year

We are thrilled to report that 2016 was a record fundraising year for the Mudd Nick Foundation. In addition to generous donations throughout the year from our many wonderful supporters, the donation from the annual Kelly's Brighton Marina Crab Derby was up 34 percent, Remembrance donations for Ann Nicholson, and others reached almost \$10,000. We also received \$13,000 from three donors to expand our Path to eXtreme success® (PX2) marquee Learning Experience to all interested seventh graders in 2017.

### 2016 Revenue Breakdown

Revenue less expenses from our annual Golf Tournament and Charity Event exceeded our 2015 Event by 25 percent. As noted in the chart above, 54.2 percent of our revenue comes from sources other than our annual Event, evidence of the Board's hard work to diversify funding sources. It's truly amazing how the Foundation's mission resonates with individuals, as 91 percent of our revenue came from non-foundation sources. The two foundations that donated to us last year are also personally attached to the Learning Experiences we provide to children in North Tillamook County.

To all our supporters who contributed to our record year, we again thank you for your generous support that enables us to carry on our important work.

—John Isbell, Mudd Nick Foundation Board Treasurer

## Learning Experiences

The Mudd Nick Foundation approved \$113,000 for Learning Experiences for the 2016-2017 school year and for summer 2017. This record level of monetary commitment acknowledges the importance of providing children in North Tillamook County with educational and life experiences beyond those offered by the Neah-Kah-Nie School District. All Learning Experiences funded are co-developed with teachers and other community youth organizations to compliment the School District's curriculum. This translates into 61 Learning Experiences that will provide participants with over 2,000 opportunities for life enhancement. Included in the total is a \$4,000 grant to Neah-Kah-Nie Youth Athletics that offers competitive sports programs to children from third through eighth grade.

As noted in the following chart, 11 percent of our grants, or \$13,195, is directed to children with special needs. The Middle School's 49.2 percent includes \$26,000 for Path to eXtreme success® (PX2) training to all qualified 60 seventh graders who are in good standing and express interest in attending the three-day offsite training at Friends Camp in Rockaway Beach (Friday night through Sunday afternoon). The course was created and is facilitated by The Pacific Institute, Seattle, WA.

### Learning Experiences by Category

Moreover, in spring 2017, we will fund a Thought Patterns for High Performance® (TPHP) and PX2 facilitator training program for interested District teachers, school administrators, and other qualified volunteers. TPHP is the adult version of PX2 that we provided last fall to several District teachers, parents of children who attended PX2 last year, and four Mudd Nick Foundation Board members. The TPHP course will enable District teachers and parents to reinforce the positive behavior patterns taught in PX2, creating a culture of common language and positive, cooperative, can-do thinking amongst children and adults in their homes and across the community. Having our own facilitators is expected to reduce our future training costs by 35 percent. This will allow us to offer PX2 for all seventh graders without having to seek special donations and provide a TPHP training course for interested District teachers, school administrators, and adults whose children attended a PX2 training.

## PX2 – Our Flagship Learning Experience

The Mudd Nick Foundation has been funding Path to eXtreme success® (PX2) for Neah-Kah-Nie Middle School 7th graders since 2008. It has evolved from sending a handful of students to Seattle, WA for an extended weekend to hosting 15 7th graders at the Twin Rocks Friends Camp for a weekend. The Mudd Nick Foundation believes so strongly in the value of the PX2 program that we made a leap of faith this year; we offered the program to the entire 7th grade class. We hosted two separate weekends at Twin Rocks Friends Camp in January, with 24 7th graders participating.

For the first time Neah-Kah-Nie Middle School staff participated as well. With this addition, the students and staff have a common language and understanding of the powerful message PX2 brings to students.

“ My experience at the PX2 training was empowering. It was a great bonding event for students to see their teacher as a student herself. I loved taking part in all the activities because the lessons I learned apply to my life in the classroom, at home, and in the world at large. The best part is that students and I have a common vocabulary. When we work on persuasive writing I can now use the terms 'lock out/lock on' to help them understand how sometimes writers “lock out” facts that work against the side for which they are arguing when they “lock in” to their own facts.”

—Marisa Bayouth, Language Arts Teacher,  
Neah-Kah-Nie Middle School

Throughout the two weekends the students, Neah-Kah-Nie staff and High School counselors, learned the importance and power of positive thinking. Their days were filled with teamwork, self-work, connecting with one another, and recognizing the power they have within to reach their goals.

“ I have worked in education for almost twenty years as a special education teacher. After participating in the PX2 experience with the 7th graders, I was totally impressed with the valuable information and opportunity the students were given. I now have a common language to share with participants about the power of positive thought. I have also learned the skills and strategies to support students in developing goals, creating a success plan to achieve their goals. PX2 can empower students to dramatically change their lives in a positive way. PX2 is the most powerful information a Neah-Kah-Nie Middle School student could receive.”

—Jake Shipman, Special Education Teacher,  
Neah-Kah-Nie Middle School

The PX2 program brought to light the road blocks in front of the students due to society, self-doubt, negative self-talk, personal circumstances or many other reasons and opened the door to a different pathway of thinking; creating an av-

enue to make and reach goals with positive affirmations, thinking outside the box, and not allowing distractions get in the way of their goals.

“ I now truly do know that there is no peak to our potential, but an endless story that we can live if we just set our minds to it.”

—Chloe Gingerich, Seventh Grader,  
Neah-Kah-Nie Middle School

“ Don't give up on your dreams ever, let your affirmations guide you.”

—Brent Anderson, Seventh Grader,  
Neah-Kah-Nie Middle School

“ PX2 has changed my outlook on life. I now realize that if I can visualize it, I can go further in my goals than I ever imagined.”

—Hailey Ernst, Seventh Grader,  
Neah-Kah-Nie Middle School

Jahmad Canley, from The Pacific Institute, was our facilitator for both weekends. He brought the program to life for the students, counselors, and Neah-Kah-Nie Staff with his thoughtful insights, personal antidotes and engaging personality.

—Jennifer Holm, Mudd Nick Foundation Program Coordinator

## Art Camp

This year in the Mudd Nick Foundation-sponsored Art Camp 2017, nearly 60 children from the ages of 5 to 12 participated in a weekly camp that took them on a magical dragon themed journey. The children worked on the art of sketching, drawing, and painting dragons; dragon mask making; and the favorite this year, 3-D scaly dragon eggs; all using several mediums.

Other activities in the camp were team-building activities

with teen volunteers, yoga, swimming and water balloon fights. We also did our always fun annual splatter paint art and t-shirt tie-dyeing. This year we were also fortunate to partner with the Oregon Coast Children's Theater. Any child who wanted to participate was able to display his/her mask in a gallery in Pacific City, OR and was awarded a prize. In the end, all the children are looking forward to next summer, either as a return student camper or a volunteer.

## Outing at the Pumpkin Patch

*Nehalem Elementary Students at Kilchis Pumpkin Patch*

Thanks to the Mudd Nick Foundation, the kindergarten and kindergarten/1st grade classes from Nehalem Elementary went to the Kilchis Pumpkin Patch in October 2016. Despite the blustery, rainy weather, the children, teachers, and parent volunteers had fun.

Activities included going on a hay ride around the fields, running through the pumpkin patch, and picking out pumpkins to take home. We even received a lesson on the different types of pumpkins grown there. Using information we learned, we will grow pumpkin plants in kindergarten this coming spring. Thank you Mudd Nick Foundation!

## Dick Brimmer: A Behind-the-Scenes Mudd Nick Foundation Supporter

Dick Brimmer has attended annual Mudd Nick Foundation golf and fundraising events for 20 years. Early on, we turned to Dick to print our newsletters, stationery, annual event programs and other materials. When Dick saw the culture and how committed and hard working the volunteers were in raising money to create programs to broaden the horizons for children in North Tillamook County, he started handling our printing requirements "at cost."

*Kristi Brimmer, Dick Brimmer & Doug Nicholson*

For the last 10 years, Dick's no-charge invoices for printing have totaled over \$50,000! It seems each year our printing needs grow in scope; in 2016 alone, Dick made an in-kind donation of \$9,000 for printing the Foundation's materials. Though he was named the Mudd Nick Foundation Person of the Year in 2011, we want to again recognize and thank Dick for his ongoing, highly valued support.

### Don't Give Up on Your Dreams, EVER!

“ We thank you for giving us this opportunity of learning about how powerful our brain actually is. We learned about beliefs and goals, and how to achieve them. But what stood out to me most is that you can be whatever you want as long as you use positive self talk. However you must be prepared for the consequences that may follow. Because of you, I have a better understanding of how I can achieve my dreams. I thank you for this experience forever. Don't give up on your dreams, EVER! Let your affirmations guide you.”

—Brent Anderson, Seventh Grade, Neah-Kah-Nie Middle School, PX2 Participant

## Annual Kelly's Brighton Marina Crab Derby – Saturday, June 3, 2017

*Kelly Laviolette, Tim McCarty, Janice Laviolette, Brad Mudd, John Isbell & Monica Isbell*

Kelly and Janice Laviolette, owners of Kelly's Brighton Marina, annually host an exciting and event filled day at their Marina on Hwy 101 south of Wheeler, Oregon. June 3rd is the only day in 2017 when you can go crabbing without a license, so come out to see if you can catch one of the marked crabs and win the \$1,000 grand prize! Janice is known for assembling an amazing assortment of prize packages that can be won by purchasing raffle tickets. You don't need to be present to win one of the raffle prizes and possibly the \$1,000 grand prize, if a tagged crab is not caught. But you can't win anything if you don't show up. You'll surely enjoy a day of fun, and feast on cooked crab, oysters, and other food items.

**Here is the best part - all the raffle and crab ticket sales are donated to the Mudd Nick Foundation!** In the past few years, this event has been one of the biggest sources of donations to our Foundation, and we thank Kelly and Janice for their ongoing philanthropy. In fact, Janice and Kelly were awarded the *Jim and Lynn Mudd Service to Children Award* in 2016.

## Create a Meaningful Legacy through a Bequest or Memorial Donation

Joey Pollock, a long-time supporter of the Mudd Nick Foundation, proactively set aside a portion of his retirement pension to be dispersed to the Mudd Nick Foundation upon his death in 2015. It was a welcome surprise when the Foundation received a very generous check from Joey's pension fund.

John Isbell and Monica Isbell have also specified the Mudd Nick Foundation as a bequest recipient in their estate plans. We hope others will consider doing the same to help the Foundation be sustainable long into the future through a commitment made today. Your planned charitable gift of cash or securities can provide you with tax benefits and help sustain the excellence of the Foundation. Two simple ways include:

- Name the Mudd Nick Foundation in your estate plans with a gift of cash or securities, or
- Name the Mudd Nick Foundation as a beneficiary of an IRA, retirement plan, or life insurance policy.

For information about the Mudd Nick Foundation Planned Giving Program, contact John Isbell, Treasurer – (503) 329-2599 or [john@muddnickfoundation.com](mailto:john@muddnickfoundation.com). We encourage you to solicit advice from your financial advisor when setting up the type of bequest most advantageous for your family. The Mudd Nick Foundation is a 501(c)3 charitable organization. Tax ID number is 20-5221242.

### Ways to Donate

You can support the work of the Mudd Nick Foundation in the following ways:

- Mail a donation to Mudd Nick Foundation, PO Box 250, Manzanita, OR 97130
- Drop off a donation at the Manzanita Mudd Dog Stand (58 Laneda Avenue) during the summer months
- Leave cash or a check in the donation jar at the Manzanita Mudd Dog Stand
- Visit [www.muddnickfoundation.com](http://www.muddnickfoundation.com) and click on the **Donate** button to contribute via PayPal
- Make a silent or live auction donation thirty days prior to the annual auction and dinner event or become a sponsor at the event

## What Guides the Mudd Nick Foundation

**PURPOSE:** The purpose of the Mudd Nick Foundation is to provide learning experiences that stimulate children to aspire to their greatest potential and to pursue their dreams.

**MISSION:** Our mission is to broaden the horizons of all children in North Tillamook County through programs in collaboration with our community partners.

**EXTERNAL VISION:** Our vision is that the children in our community become life-long stellar citizens who expand their life experiences, minds and curiosities; accept responsibility for their actions; treat themselves and others with respect; maintain high personal integrity; exhibit socially-accepted behavior; and have fun.

“As a high school helper, I have been through the Path to eXtreme success® (PX2) program before. I know how much of an impact it makes on your life. I was so excited to go back and re-experience the program and share my knowledge with the next generation. It was truly an honor to be a part of this program. You all work so hard to allow young adults like ourselves to take part in amazing experiences like PX2. So it is my pleasure to tell you with genuine gratitude, thank you.”

—Seth J. Zlemecki, Student,  
Neah-Kah-Nie High School
